Reference is made to your request of February 6, 1961,  
via liaison channels, in which you requested subject be interviewed  
as to whether he had been in contact in Cuba on January 18,  
1961, with [redacted] and [redacted]

This matter was casually brought up during our inter-  
view with the subject on February 16, 1961, in such a manner  
as not to arouse any suspicion on his part. Subject stated he  
was not acquainted with any of these individuals, although it  
was possible that he may have met them in Cuba. Subject stated  
he spent the two weeks prior to his flight from Cuba on January 20,  
1961, in Havana preparing for his departure. He indicated that  
his only contacts during that period were with the group of  
close aides who accompanied him to the United States. (S) (u)

NOTE: Subject is prominent Batista opponent and Castro  
supporter who defected. San Antonio is interviewing him. CIA  
asked us to interview him concerning any contact he may have  
had with the two above-mentioned individuals. These two individuals  
were connected with a CIA operation and were turned in in Cuba.  
CIA speculated subject may have turned them in.
